

Tosca

Set against a backdrop of war, chaos and corruption in Rome, the beautiful, celebrated opera singer, Floria Tosca, must give the performance of a lifetime to save the man she loves from the tainted hands of the treacherous chief of police. Set in early 1800s Italy, Tosca is the passionate, sweeping story of three strong-willed characters destined to become masters and victims of their own fate. Will she murder for the man she loves? Will she save her lover in time? Will she emerge as the victor or victim of her own destiny? Tosca has everything: a real and worldly love, an extraordinary heroine and the greatest villain in all of opera.
